

Dear Aleksander,

I am the case officer for your application and I will be your first point of contact for any inquiries regarding this application.

This email supersedes any other automated email you may have received since you submitted your application.

The following is a list of the documents you are required to provide. **You must send your original certificate to either this office or one of [our nominated branches](#) by 2 March 2013. We must receive the certificate by this date.**

- [Chest X-Ray Certificate \(INZ 1096\)](#). Please check the list of [Panel Doctors](#) to see if you need to use an approved radiologist to complete the form.
- **A RADIOLOGIST REPORT MUST BE ATTACHED TO THE CERTIFICATE. IN THE ABSENCE OF ANY X-RAY ABNORMALITIES, DO NOT SEND US THE ACTUAL X-RAY FILM OR CD.**
- If you require an extension, you must provide evidence that you have booked an appointment to have the Chest X-Ray taken. You must email this information to me and request an extension.

If we do not receive the Chest X-Ray Certificate by the due date, we will make a decision on your application based on the information you have already provided. Your application will not be approved without providing this certificate.

Please note providing false or misleading information or withholding information may make you ineligible for a visa.

If you have any questions please feel free to contact me.

Kind regards,

Andrew Park
